Coke Operation Changes Effecting Maspeth Members

Dear Brothers and Sisters,

Local 812 has recently become aware of operational changes at Liberty Coca Cola in the Bronx that will impact our members working at the Coke warehouse in Maspeth. We are actively engaged with the Company to ensure that your interests are fully protected.

The Company has agreed to **no layoffs of Local 812 members.**

Liberty's plan to more fully implement the Vertique loading system at the Bronx facility is expected to result in a smaller warehouse operation in Maspeth. Many operational issues have not yet been determined and the Union is in the process of getting the information needed to best represent our members.

Local 812 is committed to providing the best possible options for our members. We will keep you updated as we learn more and have further discussions with Liberty Coke.

In Solidarity,
Joseph Vitta
